

## Affiliate Program - ManyContacts

ManyContacts is a multi-agent CRM that helps you manage your WhatsApp chats. We are based in Madrid, Spain and work with hundreds of customers around the world. ManyContacts aims to offer the best professionalized WhatsApp inbox, with the ultimate goal of turning it into the main sales, customer management, and aftersales channel of our customers.

As a ManyContacts affiliate, **you will earn a recurring 20% commission during the first 2 years of any active subscription that you bring.** Joining our affiliate program is the easiest way to partner with ManyContacts.

### ¿Who can Join the Affiliate Program?

1. Marketing agencies
2. Web development agencies that manage (fully or partially) their clients' online store or software
3. IT consulting agencies
4. Influencers that may fit our niche and are active on LinkedIn, YouTube, WhatsApp, or others.

### ¿How do I join the Affiliate Program?

To join our affiliate program, just do the following:

1. Sign this document and send it to [support@manycontacts.com](mailto:support@manycontacts.com)
2. Promote ManyContacts to your clients: know that your referrals will receive the **first month of premium service for free**. We offer this commercial advantage to give you further leverage in convincing your possible referrals to try ManyContacts.

### Terms and Conditions

1. Affiliate partners must sign a partnership agreement with ManyContacts.
2. To receive compensation, affiliate partners must bring at least 5 paying referrals.
3. Payments and commissions are subject to the approval of management. Terms and conditions will apply.
4. Commissions will be transferred to the indicated bank account and the invoice/commission must be of at least 1000€ for it to be carried out. If this minimum is not obtained for 10 months in a row, ManyContacts has the right to end the partnership and this contract unilaterally, without further complaints by the affiliate partner.
